Some of our stories...

“

Flawlessly Fabulous - Best Day Ever! We got married at The Bell on 18th April 2026, and it was perfect from start to finish. A special mention must go to Natasha, who went above and beyond at exactly the right moment.

Just as our two three-year-old flower girls were about to walk down the aisle, they became a little overwhelmed. Natasha stepped in so calmly and kindly, reassuring them and helping them feel comfortable enough to make their grand (and slightly energetic!) entrance. The entire planning process was completely stress-free, everything was handled seamlessly, allowing us to simply enjoy every moment.

Having the ceremony, wedding breakfast, and accommodation all in one place made for a wonderfully smooth and relaxed weekend. We've had so many compliments from family and friends about the wedding breakfast. The quality of the catering at The Bell is exceptional it wasn't just "wedding food," but a genuinely high-end dining experience that made our day feel even more special.

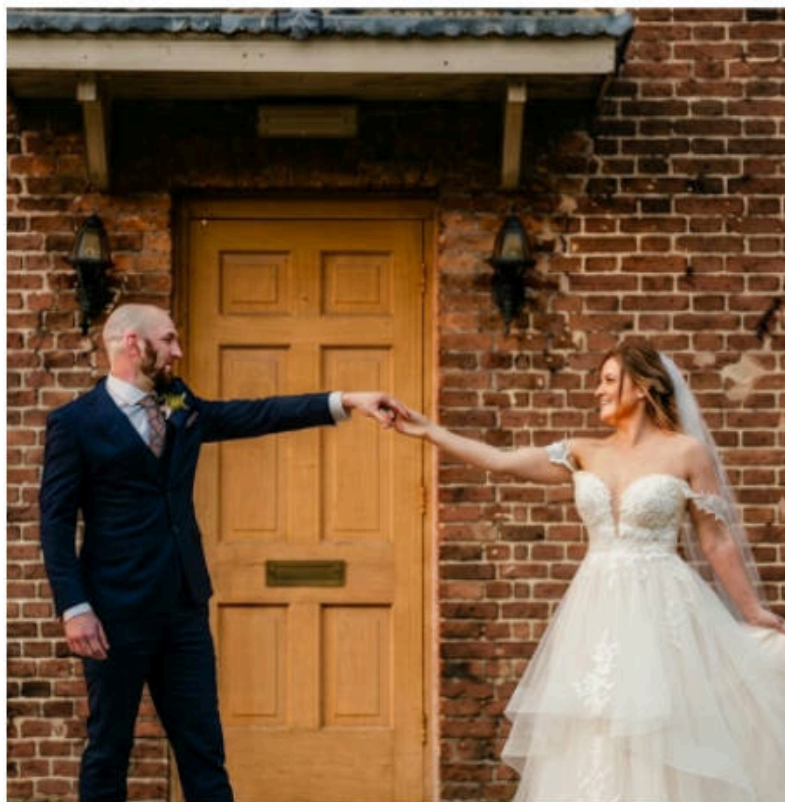

We couldn't recommend The Bell highly enough. Thank you for giving us such an unforgettable day!

Wedding Day Reflections...

“

First of all we would like to thank you for all your efforts, thoughtfulness and patience at the various meetings we had prior to our Wedding day. Your attention to detail leading up to the wedding ensured our day was very special. The day went smoothly, it was very relaxed giving everyone the opportunity to enjoy our day. Our special moments were saying our own vows, sharing the experience with family and close friends and having the intimate wedding that we wished for. The meal and canapes were delicious and the break between each course was just right. Please give our compliments to the chef and his team. You and your team delivered an impeccable service throughout the day and nothing was too much trouble. This was commented on by various guests. We had so many compliments about the whole day, one person stating that it was the best wedding they had ever been to.

My husband and I celebrated our Golden Wedding anniversary on Saturday 7th June. We could not have chosen a better venue. Right from when we first booked it all the staff could not have been more helpful. Jess who co-ordinated our special event went above and beyond all expectations, nothing was too much trouble. Our evening went extremely smoothly which was down to Jess. All the food was delicious and All the staff that helped were polite and friendly. We would have no hesitation in recommending the Bell Inn to our friends and will definitely be back. Thank you Jess and everyone in the team who helped to make our celebration a most memorable and special evening.

We, as a family, have just spent the most amazing weekend at the Bell Inn for our daughter's wedding. From the time we arrived on Saturday the staff were friendly, attentive and professional. The room was well equipped, clean and very comfortable. The food was amazing and the service great. Throughout the weekend everything we asked for when we booked were carried out and provided to a high standard. I cannot thank all the staff at the Bell Inn for making this such an enjoyable and memorable celebration. You all deserve five stars.
